## USI and Proof of Student Identification

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that gives students access to their USI account.

A USI will allow an individual's USI account to be linked to the National Vocational Education and Training (VET) Data Collection allowing an individual to see all their training results from all providers including all completed training units and qualifications.

The USI will make it easier for students to find and collate their VET achievements into a single authenticated transcript. It will also ensure that students' VET records are not lost.

The USI is available online and at no cost to the student. This USI will stay with the student for life and be recorded with any nationally recognised VET course that is completed from when the USI comes into effect on 1 January 2015.

If you do not have a USI please go to [www.usi.gov.au](http://www.usi.gov.au) to create your USI account.

By providing your USI you confirm that you have read and consent to the USI Privacy Statement <https://www.usi.gov.au/students/student-terms-and-conditions> , and give Australian Celebrations Training permission to verify your USI and to search the USI database to confirm your USI.
